Volunteers Gather at the General Meeting in Celebration of TSRHC 90th Birthday

On Saturday, May 14, Texas Scottish Rite Hospital for Children (TSRHC) held its General Meeting for volunteers in the T. Boone Pickens Training and Conference Center. The hospital's 90th birthday was the theme for the lunch meeting, which was attended by 240 volunteers. The General Meeting celebrates the hospital's volunteers and recognizes those who have served for a number of years, or reached a milestone in hours of service. Two major awards—the Samson Wiener Award and the Paul Taylor, D.D.S, Trailrider Award—are presented at the meeting. Important business is also conducted at the meeting, as new officers of the hospital's Volunteer Executive Committee are elected.

Loren Koziol accepts the president's gavel from Shana Santoni.

In keeping with the theme, the hospital was decorated for a birthday party, with balloons and a large cake greeting volunteers, staff and other guests as they arrived. A delicious lunch of steak with artichoke sauce and salad was served, and volunteers also

enjoyed a special dessert—chocolate cake with a birthday candle! Some volunteers even sang an impromptu verse of "Happy Birthday" to TSRHC. The hospital's 90 years of caring for children and the importance of its volunteers were highlighted during the

welcome and opening remarks of Bob Walker, TSRHC vice president and administrator. Volunteers have played a vital role at TSRHC from the hospital's beginning and continue to do so today. In the last year, volunteers contributed more than 108,000 hours of service to TSRHC. Volunteers who have reached certain levels of hours or tenure, contributing to that grand total, were recognized with 75-hour pins, tenure bars and recognition on the Hours Board.

Special thanks were given to Marilyn Phillips, who has volunteered at the hospital for 35 years. Ms. Phillips has volunteered throughout the hospital, most recently in the surgery area. Bob Mason and Margaret Stockton were recognized for 25 years of TSRHC volunteer service. Tenure pins were also awarded to hospital volunteers who have provided 20, 15 and 10 years of service.

Recognition was also given to volunteers who have contributed an exceptional number of hours to the

Dear TSRHC Volunteers,

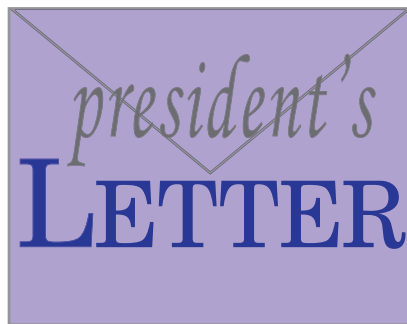

Another General Meeting of Volunteers is in the books. The enthusiasm, excitement and camaraderie that this event brings each year is truly amazing. We have such wonderful volunteers at TSRHC, and to bring so many of you together in one room, at the same time, makes for quite an incredible experience. To hear your stories and to know the amount of time each of you has dedicated to supporting the patients and patient families makes me proud to be part of this volunteer community. I am truly honored to represent each of you this year as president of the Volunteer Executive Committee and I thank you for your commitment and dedication.

I would also like to extend my congratulations to our two award winners from this year's meeting: Bill Marble is our Sampson Wiener Volunteer of the Year and Bruce Neustadt is our Paul Taylor, D.D.S Trailrider Award recipient. These two gentlemen have made outstanding volunteer contributions to the hospital and I would like to thank both of them for everything they do. If you see Bill and Bruce around the hospital, be sure to congratulate them.

I am looking forward to a great year at the hospital. There is so much to be excited about, particularly the year-long celebration of TSRHC's 90th birthday, and I am counting down the days to the festivities on Thursday, October 13, at Treasure Street! (Coincidentally, that's my birthday, too.) I hope to see many of you there.

In closing, I would like for each of you to know that I am always available for you. If you have suggestions, ideas or just want to grab a cup of coffee and chat ... I am open to your thoughts. You can contact me via email at: Loren.Koziol@ubs.com or on my cell at 214-808-3252.

Kind regards,

Volunteers Saddled Up for the Bike Rodeo

On Saturday, April 9, the Rotary Club of Dallas partnered with Texas Scottish Rite Hospital for Children (TSRHC) to host the 10th annual Rotary Club of Dallas Bike Rodeo and Child Safety Day. The bike rodeo gives children from around the Dallas community the opportunity to learn about safety in a fun,

family-oriented environment. The children met local heroes, including firefighters, police officers and emergency responders; and participated in many activities, including a bike rodeo skills course. The hospital's Volunteer Services department provided 46 volunteers for the event, who assisted with the bike raffle, traffic sign bingo, face painting and many other assignments that helped make the event a great success.

Farm and Ranch Day

Thanks to all the volunteers, including mother/daughter teams from the National Charity League, who helped make Farm and Ranch Day on Saturday, May 21, a rousing success. More than 1,600 patients, family members and friends from the community converged at Reverchon Park to enjoy great weather, entertainment and the importance of Texas agriculture in our everyday lives. Participants enjoyed a variety of fun, hands-on activities including face painting, hat decorating, and snacking on popcorn and snow cones. We also appreciate the Dallas Park and Recreation Department, the local 4-H Clubs and the Southwest Dairy Museum, who each provided support to make the day run smoothly.

New Volunteer Services Summer Intern

Each summer, TSRHC invites a college student to intern in the Volunteer Services department and experience firsthand the important work TSRHC volunteers do, supporting and encouraging patients and families who come through the hospital's doors. This year, we welcome Jennifer Brooks. Jennifer is not new to TSRHC, having spent two summers in the Junior Volunteer program when she was in high school.

"I am really excited to be back. I love the culture and the fun-loving environment that the volunteers work so hard to provide for patients and families," Jennifer says. During her time at TSRHC this summer, Jennifer will be assisting David Kim with the Junior Volunteer program and helping make the annual summer book sale a success. Jennifer attends Texas Christian University and plans to graduate in December with a degree in marketing. Be sure to say, "Hello!" to Jennifer and welcome her back to TSRHC.

Volunteer Chris Hefner, left, and staff Rick Smith pose with special guest Texas Tech Red Raider.

Jennifer Brooks, new Volunteer Services intern.

Award Recipients

Samson Wiener Award

The Samson Wiener Volunteer of the Year Award was awarded this year to William "Bill" Marble. The award is named in honor of Samson Weiner, a 33rd-degree Mason who served Texas Scottish Rite Hospital for Children (TSRHC) for more than 40 years, initially as a volunteer reading to young patients and eventually as vice-chairman of the TSRHC Board of Trustees. The award was established in his name in 1985, and is presented annually to an individual or group who has demonstrated exemplary commitment to TSRHC patients through meritorious voluntary service.

Samson Wiener award recipient Bill Marble is congratulated by TSRHC staff, Loren Koziol, and his wife, Kate, also a volunteer.

Mr. Marble is a former business executive who works with the hospital's Property Management department. Although he began volunteering as recently as January 2010, he has contributed 873 hours to TSRHC. Mr. Marble's assistance and business experience saved the hospital thousands of dollars; and he gave invaluable advice on a project in the department. Although Mr. Marble was unable to attend the General Meeting, with the help of his wife and fellow hospital volunteer, Kate, the Volunteer Services department managed to surprise him at a special lunch held in his honor to present the award.

Trailrider Award

Paul Taylor, D.D.S., Trailrider Award recipient Bruce Neustadt is joined by daughters Jordy and Hanna (both Junior Volunteers), and wife, Susan.

This year's Paul Taylor, D.D.S., Trailrider Award was presented at the General Meeting to volunteer Bruce Neustadt. This award was established in 2004 and named in honor of Paul Taylor, D.D.S., who served on the hospital's dental staff for 40 years and continued to support the dental service after his retirement in 1986. The award is presented each year to a volunteer whose tenacity and long-standing commitment to the hospital merits recognition.

Mr. Neustadt has volunteered at TSRHC for more than 22 years and has provided more than 4,400 hours of service to the hospital. He is an evening volunteer who is always willing to help where he is needed, whether it is the front desk, the snack cart or reading to a patient. He has been active as a special events volunteer as well, supporting the hospital at many events, including the Dallas White Rock Marathon, the Katy Trail 5K, Treasure Street and TSRHC night at the

Mesquite Championship Rodeo. Mr. Neustadt also provides tours of the hospital and promotes it at every turn. He is a Mason who always shares information about hospital events and donor opportunities at his Masonic Lodge, and he is a great recruiter of new volunteers. He also works to improve things for patients and volunteers, and served on a committee that chose the new volunteer uniform in 2008. Mr. Neustadt embodies the long-standing commitment that is the hallmark of the Paul Taylor, D.D.S., Trailrider Award.

VOLUNTEER PROFILE

2011-2012 Volunteer Executive Committee Officers

*Loren Koziol,
President*

*Karen Kantner,
President-Elect*

*Ken Hill,
Secretary*

*Audra Rowell,
Treasurer*

Texas Scottish Rite Hospital for Children (TSRHC) is pleased to announce the 2011-2012 Volunteer Executive Committee Officers. The Volunteer Executive Committee is charged with developing new and additional ways to support the hospital's volunteers, so they may best serve the patients and families of TSRHC. They serve as a volunteer advisory board for Volunteer Services, represent the hospital at local and state volunteer functions, participate in hospital fundraising activities and represent the volunteers at hospital special events.

Loren Koziol (president) is a five-year volunteer, serving primarily Wednesday evenings and as a special events volunteer. He has served in several other capacities on the Volunteer Executive Committee as president-elect, treasurer, recruitment and orientation chair and special events chair. Loren is employed by UBS Financial Services Inc. as a financial advisor.

Karen Kantner (president-elect) has volunteered in the TSRHC clinics for three years and formerly worked at the popcorn stand. She has served on the TSRHC Executive Committee as treasurer and volunteer activities chair. Karen is a long-time community volunteer with a professional background in medical technology. She loves combining volunteer service with her medical experience.

Ken Hill (secretary) is a five-year volunteer who has served Thursday evenings and as a special events volunteer. In addition to his role as secretary, Ken has served as the special events chair. "It is a privilege to volunteer at TSRHC because we always take away more than we can possibly bring," says Ken, an architect with NADC Architects LLC.

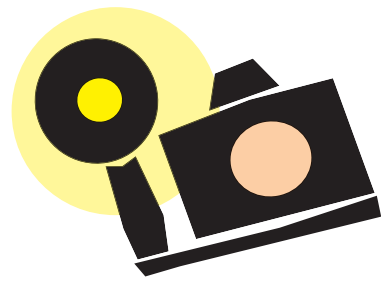

Audra Rowell (treasurer) has volunteered as a tour guide, and with Creative Capers and special events during the six years she has been connected to TSRHC. She has also served as secretary, recruitment and orientation chair and Junior League of Dallas liaison to the TSRHC Executive Committee. Audra is employed by Irving Independent School District as an elementary gifted and talented coordinator.

TSRHC. This year, the hospital recognized Lew Kravetz and Jason Shelton, who have each volunteered more than 12,500 hours at TSRHC. Mr. Kravetz works in the plaster clinic, cast room and wherever he is needed. He has volunteered at the hospital every Christmas Day since 1975, when he began volunteering. Mr. Shelton handles volunteer uniforms and also works in the cafeteria greeting patients, staff and volunteers. John Speirs, Jr., was also thanked for giving 7,500 hours of service to the hospital and Mary Lou Magee reached the 5,000 hour mark this year.

During the meeting, volunteers elected new officers for the Volunteer Executive Committee. Loren Koziol was elected president, and Karen Kantner was voted the committee's president-elect. Ken Hill was elected secretary, and Audra Rowell was voted committee treasurer.

Volunteers Susan Karesh, Angie Tracht and Sally Matusky work the registration table.
